Target audience

NCL Chief Pharmacists and Heads of Medicines Management only.

Approach to temperature excursions

Every temperature excursion must be investigated by senior members of the Pharmacy team.

SPS provide step-by-step advice for what to do in the event of a temperature excursion:
<https://www.sps.nhs.uk/articles/managing-temperature-excursions-for-covid-19-vaccines/>

Supporting information relating to vaccine stability in the event of a temperature excursion is available from:
